

## Aspire Legends Program.

Passing on your knowledge and experience while giving back are how legacies are built. Being an Aspire Legend gives you the opportunity to do both. Mentor and inspire others to reach their goals while giving back to charity and being compensated for your time.

Aspire members (Aspirers) have made the commitment to take their life to the next level. They will want to know how you achieved your success and ask for your guidance and knowledge on how they can achieve more.

Aspire members will schedule a video call with you according to your schedule. The calls will be 15-20 minutes in length. The Aspirer will submit their questions before the call and their day-to-day coach (Aspire Guide) will join the call to help to keep the things run efficiently and on time.

### Compensation

- ✓ You and Aspire will agree on your hourly rate.
- ✓ Aspire will keep track of the time of each video call and your payments are made monthly by ACH. A detailed statement will accompany the ACH.
